Becoming a Boundary Waters Family®

Memories, stories and good family fun are what we are all about. Our goal is to take the mystery out of camping in the BWCWA. Not everyone grew up camping and paddling in the Boundary Waters, but with a little help, we believe everyone is capable of having a great experience. Spend healthy, quality time with your kids. Leave your distractions behind and enjoy making memories this summer in the Boundary Waters Canoe Area Wilderness.

The outfitters of the Gunflint Trail Association in partnership with the USDA Forest Service have put together summer seminars and a book of information to help kids and adults feel comfortable in the woods.

Find out how you can Become A Boundary Waters Family this summer and start making memories.
